About the Greater Berks Food Bank

The GBFB collects, stores, and distributes food to more than 300 charitable agencies (food pantries, soup kitchens, shelters, after school programs, and senior housing facilities) in Berks, Schuylkill and western Montgomery Counties. In 2013, the GBFB distributes over 7 million pounds of food from its warehouse to these agencies which in turn distributed the food to local residents in need.

The participating charities can save as much as 75% of their food costs by receiving their food from the GBFB.
