## **OUR SCHOOL LOGO - front cover**

Saint Catharine of Siena School is a faith community focused on “nurturing children in Christ” and “educating them for success.” The book symbolizes the Bible which contains the word of God and guides us through our faith journey. The book also represents the textbooks that are used in the education of the students. The circle symbolizes the unity within the school community. The cross reminds all that Christ is the reason for SCS School, the Unseen, but ever-present Teacher in all classes, the Model for the faculty and the inspiration to all students.

## **MISSION**

Saint Catharine of Siena School, founded in 1938, provides a quality Catholic education in a Christ-centered environment for the children of our parish and the surrounding community. Rooted in the Gospel message, our challenging academic program incorporates strategies and techniques necessary for success in the 21<sup>st</sup> Century.

We nurture the growth of the whole child to prepare our students to become active members in their faith, life-long learners, and moral citizens in a global society.

The pastor and principal direct our school within the guidelines of the Catholic Church, the Diocese of Allentown, and the Sisters, Servants of the Immaculate Heart of Mary in accordance with the requirements set forth by the Commonwealth of Pennsylvania.

## **PHILOSOPHY**

Saint Catharine of Siena School is a faith community whose primary mission is to teach the Gospel message. Creating a safe, nurturing, and Christ-centered environment entails profound reverence for God, self, and others. Students are trained in Christian discipleship through the practice of the virtues. Mindful of the presence of Christ in each person, the faculty and students recite the school pledge together each morning.

“I believe that Jesus is present in each of my classmates and all of my teachers; therefore, all my actions will show my respect for Jesus.”

Knowing that parents are the primary educators of their children, the faculty maintains effective communication with parents for the growth and development of their students. The faculty works with the School Board, the Development and Marketing Committee, and the Home and School Organization to develop a strategic plan in order to serve the needs of the students and to ensure the future growth of Saint Catharine of Siena School.

## **BELIEF STATEMENTS**

We believe that-

- Children are formed in God’s image and likeness.
- Mary is our model of discipleship in following Christ.
- Our school is a branch of the parish and a ministry of the Church.
- Educating our students is the shared responsibility of the school, parish, parents, students and community.
- Understanding and accepting diversity encourages respect among our school community.
- Children build self-esteem by growing in responsibility.
- Differentiated instruction provides for the various learning styles of our students.
- A safe environment is essential for learning.
- It is important for each student to support, to encourage, and to be kind to each other.
- Our faculty models life-long learning and accepts change to promote growth and improvement for our school community.

### **B. ATTENDANCE/ABSENCES**

#### **1. School Hours and Absence**

The school hours are: 8:00 a.m. – 3:00 p.m. (K – 8)

The school hours are: 8:30 a.m. – 2:30 p.m. (Pre-K) – Full day program

Regular attendance and punctuality are essential for a student’s academic success.

Parents should report absences and late arrivals by calling school between 7:00 – 8:00 a.m. A message may be left on the school answering machine prior to 7:00 a.m.

The State of PA requires a parent note of excuse for every absence, and a Doctor’s note if the child is out three or more days. Multiple unexcused absences may incur detention.

#### **2. Early Dismissal of Individual Students**

Students who need to leave school prior to regular dismissal time must give a written parent note to the homeroom teacher. Any student who is leaving early will be dismissed from the school office. The parent or guardian must report to the school office first and sign the "Early Dismissal" book. Parents are encouraged to make appointments for their child after school hours. Sports practices and games should be scheduled after school hours. If a student needs to leave early due to sports practices or games, the student is responsible for all missed school work and assignments.

#### **3. Emergency Closings or Delayed Opening**

If inclement weather or some other emergency necessitates a school delay and/or closing, it will be announced on TV and radio, posted on the school website ([www.scsreading.org](http://www.scsreading.org)), and sent out via the emergency communication system (Option C). Late arrivals and early dismissals will be announced on the following radio and TV stations: WEEU (830 AM), and Channel 69 WFMZ, Channel 10 NBC, and Channel 43 FOX.

Transportation is based on the school districts’ schedules. In the event that Saint Catharine of Siena School is open and the public school districts are experiencing a delay, the parent may provide transportation or follow the school district transportation schedule. If Saint Catharine of Siena School has a delayed opening and the school district is opening at their regular time, bus transportation will be provided at the regular time. Those students may arrive early if needed. Be sure to have a plan in place in the event that school would be dismissed early due to bad weather or some other emergency.

**Delayed Opening** – If a two-hour delay is called, Saint Catharine of Siena School will open at 10:00 a.m. If an early dismissal was scheduled on a day with a two-hour delay, Saint Catharine of Siena School will stay in session until regular dismissal time at 3:00 p.m. (2:30 p.m. for all day Pre-K). The early dismissal will be re-scheduled.

#### **4. Emergency Contact Forms**

The Emergency Contact Form needs to be updated yearly. When a parent cannot be reached, the school will contact the adults listed on this form. Please complete the form and return it to school as quickly as possible. If an address, email, phone number, or person to be

contacted is changed throughout the year, the parent is responsible to inform the school office of the new information.

### **5. Lateness**

A student who arrives late for school (after 8:00) must:

- a. report to the school office for an admission slip,
- b. present a note from his/her parent explaining the reason for the lateness,
- c. present the admission slip to the teacher in the class.

Consistent unexcused lateness will be considered parental neglect, which will be reported to the local school district for further investigation. Lateness affects a student's attendance record and interferes with the student's learning.

\*\* (5 unexcused times late = detention to be served the Thursday following the 5<sup>th</sup> tardy)

### **6. Vacation Policy**

The planning of family vacations is strongly discouraged while school is in session. No vacations should be planned during the week of standardized testing. The parent must contact the Principal in writing prior to the absence explaining the reason. The parent must contact the teacher for assignments and homework and make arrangements for any missed tests. Generally, teachers will not send work or books with a student on vacation. It is the responsibility of the student to complete all assignments within one week of return from the trip unless other arrangements were made by the teacher.

## **C. CHANGE OF FAMILY INFORMATION**

If a family has a change of address, telephone number, email, custody or parental rights during the year, the parents or guardians are required to notify the school office with the new information.

## **D. COMMUNICATIONS (also see Family Communications Envelope)**

Effective communication assures a positive relationship between the home and school. Several modes of communication are utilized to help keep parents informed of policies, activities, upcoming events, and student progress. Regular forms of communication include this handbook, a monthly calendar of events, flyers, weekly family envelopes via the youngest child in each family, school webpage, parent-teacher conferences, Home and School Organization Meetings, report cards and failure notices or progress reports, and email. The communication folder goes home weekly with the youngest child. Parents may email the faculty via the school email.

If parents have a concern about their child's progress or other classroom information, please contact the teacher either by email or call the office to schedule an appointment with the teacher. If the matter is not resolved, please schedule another conference with the principal and the teacher.

## **E. DAILY SCHEDULE**

## **F. FAMILY COMMUNICATION ENVELOPE**

The Communication Folder is sent home weekly with the youngest child enrolled in school. Parents are asked to check book bags and folders regularly for the weekly communication. In an effort to reduce paper usage, weekly information will be posted on the school webpage every Thursday. Any communications, forms, money, etc. that are brought to school are forwarded to the school office through the homeroom teacher. Students should not be instructed to deliver items directly to the office.

## **G. FIELD TRIPS/CLASS TRIPS**

The purpose of every class trip is to broaden the intellectual, cultural, and social experiences of each child. There will be no overnight field trips or activities. The parent/guardian must provide written permission for each trip in order for the student to participate. A diocesan field trip parent consent form must be signed by the parent/guardian and the student. Class trips are planned at the discretion of the teacher and principal. Field trips are a privilege which can be taken away if a teacher deems it appropriate. If tuition is in arrears, a student will not be permitted to go on the field trip. If a parent/guardian does not wish a child to attend the trip for any reason, the parent should notify the child's teacher in writing. If the student does not attend school on the day of the trip, he/she will be marked absent. Any adult who serves as a chaperone for a field trip, must have attended the diocesan seminar "Protecting God's Children," completed the diocesan background checks and signed all required forms.

## **H. FIRE DRILLS & EMERGENCY PROCEDURES**

Fire drills are conducted regularly throughout the school year. The students are instructed to leave the building quickly and in silence when the alarm rings according to directions posted in each area. The students are also instructed and practice for other types of emergencies. If the students need to evacuate the building, Saint Catharine of Siena Chapel is the designated meeting area. If the school needs to go to "Lock-Down Stage," no one will be admitted into the building until the dangerous situation is resolved.

If students need to be dismissed due to a crisis or emergency situation, they will only be released to parents or designated adults on the emergency contact form. Local law enforcement officials will direct parents to the meeting place. Information will be given over the radio/TV or through the emergency communication system (Option C).

## **I. GUIDANCE PROGRAM**

Saint Catharine of Siena School employs a full-time state certified elementary school Counselor. The parents, teacher, or principal may request that a student work with the school counselor as circumstances dictate.

### **1. Instructional Support Team (IST)**

IST is the process used to help individual students who are having academic, social, behavioral or emotional difficulties. The process usually begins after parents and teachers have tried various ways of helping the child, yet the concerns remain. The principal, school counselor, or teacher may suggest an IST meeting to explore the child's strengths and needs and to create a plan of support for the child. IST is a confidential process involving adults working together for the benefit of the student. The IST process is also the way in which the school implements the diocesan accommodations/modifications program as set forth by the Inclusive Catholic Education directives for those students meeting the eligibility criteria.

At IST meetings, the team considers the development of the whole child. Each meeting is different because each child and her/his needs are unique and different. Meetings are generally attended by the child's parents, teacher(s), and school counselor; the principal, BCIU school psychologist, and BCIU reading specialist may also attend. In addition, outside therapists and any other professionals working with a student may participate in an IST meeting. The team meets periodically to assess the child's progress with the IST plan and to modify that plan as necessary. Recommendations or modifications will be shared, as appropriate, with all the teachers and staff who interact with the child during the course of the school day.

### **2. Individual Counseling**

The school counselor may work with individual students who present with personal, social, emotional, and /or academic concerns. Students may be referred by teachers, parents, and the principal. Some students will self-refer. The school counselor will engage students in the helping process by being mindful of developmental needs as well as the student's right to respect and a nonjudgmental attitude. School counseling is not intended to be a long-standing therapeutic process. For situations in which a student presents with serious emotional needs, the school counselor and principal will work with the student's family to secure appropriate outside therapy.

### **3. Counseling Groups**

A variety of small counseling groups are offered throughout the school year. Groups meet during lunch/recess periods. All first grade children are afforded the opportunity to participate in a friendship group to enhance the development of appropriate social skills. Other groups include: friendship groups for older students, particularly when new students join the class; parental separation/divorce and other loss (e.g., death) groups, study skills groups, special siblings support group (for students who have a sibling with a diagnosed disability); girls' groups (for older female students with the purpose of enhancing communication and relationship skills and reducing relational aggression behaviors); self-control groups (for children with attention disorders); and other groups as requested by faculty and/or administration.

### **4. Classroom Guidance**

The school counselor will visit classrooms for instruction in the areas of empathy training, problem-solving strategies, anger management, study skills, kindness, anxiety/worry, career awareness, bullying, friendship, communication skills, respect, tolerance/diversity, and other issues as requested by faculty and/or administration. The Second Step Curriculum, which is intended to reduce bullying, is utilized in kindergarten through fifth grades.

## **J. GOVERNMENT PROGRAMS**

The following programs are available to SCS through the government:

### **Government support personnel**

<b>State</b>	Act 89	Remedial Reading & Mathematics - BCIU
	Psychologist	BCIU

## **Government Services**

<b><u>State</u></b>	Act 90	Student workbooks and testing curriculum

## **K. HEALTH**

### **1. Medical Records**

The Commonwealth of Pennsylvania has mandated that all children entering **Pre-Kindergarten** present documented proof that the following immunizations have been received:

4 Dtap	3 HIB
4 Prevnar	1 Varicella
2 Hepatitis A	3 Hepatitis B
1 MMR	3 Polio (and 1 additional between ages 4 – 6)

### **Kindergarten – 12<sup>th</sup> Grade Requirements**

- 4 Tetanus, Diphtheria, and Pertussis (1 dose on or after 4<sup>th</sup> birthday)
- 4 Polio (1 dose on or after 4<sup>th</sup> birthday)
- 2 Measles
- 2 Mumps
- 2 Rubella
- 3 Hepatitis B
- 2 Varicella

**Grade 7 – Students need 1 Meningitis vaccine and Tdap (tetanus booster)**

**Grade 12-Students need 1 Meningitis vaccine**

- State mandated physical examinations are required in Kindergarten and 6<sup>th</sup> grades.
- Dental exams are required in Kindergarten, 3<sup>rd</sup>, and 7<sup>th</sup> grades.
- Each child, Kindergarten through 8<sup>th</sup> grade, has vision, height, and weight checks every year. Children in Kindergarten, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, and 7<sup>th</sup> grades have their hearing checked. When doing all these screenings, a referral is sent home to parents if there is a correction needed; i.e. vision and hearing. Parents need to have these corrections done by a doctor of their choice and return the completed referral to the nurse as soon as possible.

### **2. School Nurse**

A nurse is provided by the Antietam school district two days per week and by SCS three days per week. The nurse is responsible for checking the height, weight, hearing and vision of every child and for making referral to parents when problems are found. The nurse maintains all health records. Care given in the school is limited to first aid in accidents or illness until the parents can be reached to take the child home, to the doctor, or to the hospital. In an emergency, the nurse will arrange to have the student transported to the hospital.

### **3. Accident/Illness at School**

Accidents or unusual illness occurring at school are reported immediately to the nurse, principal or main office personnel. When a student becomes ill or has an accident, the parent or guardian is contacted. If the parent or guardian cannot be reached, the emergency contact will be

called. Emergency cards are kept on file for each student. It is the parent's responsibility to ensure that an up-to-date emergency number is on file in case of an emergency during the school day.

#### 4. Allergies

Parents must inform the school nurse, classroom teacher, and office staff of their child's allergies and specific response. If the allergy includes any food items, the cafeteria staff should be included in the information. Provisions are made for a "nut-free" table in the cafeteria, when needed. The school maintains a latex free environment; therefore, latex balloons are not permitted in school. All students that have life threatening allergies must send in emergency medications along with doctor's orders.

#### 5. Medications/ Fevers

It is generally recommended that prescription medicines be given to the student before and/or after school in accordance with the physician's directions. In those rare instances where the medication must be given during the school day the following applies:

- Prescription and non-prescription over the counter medications must be in the original container with a note from the parent and physician to include: name of student, name of medicine, dosage, time of administration, dates to be given, and reason for medication.
- Students requiring medical attention must report to the nurse. No medications should be placed in lunch boxes or school bags for students to self-administer. All medications must be taken to the nurse's office.
- Students should be kept home if they are not free of symptoms or fever free for 24 hours without medication (Tylenol or ibuprofen), or if they are vomiting or have diarrhea. If a child is sent home with a fever of 100.5 or greater, the child cannot return to school until the child is fever free for 24 hours without medication.
- Any changes to a child's medication must be reported to the school nurse. All new medications or dosage changes must have a new prescribed doctor's order sent to the school nurse.

#### 6. Lice

At any time during the school year, the school nurse may inspect any student for head lice. If nits or lice are identified during inspection, then:

1. The student will be excluded from school immediately.
2. The parent or the guardian will be called to come to the school to pick up the student. It will be the responsibility of the parent or guardian to transport the student home before the end of the school day. The student will not be permitted to ride the school bus due to added risk of other students acquiring lice.
3. Verbal instructions, as well as written instructions, will be provided to the parent and student before the student leaves the building. It is the parents' responsibility to follow these instructions and rid the student of lice so that the student may be readmitted to school. These instructions will include treatment as well as management of the student's environment and prevention.
4. Siblings and close contacts will be examined throughout the district and excluded as necessary.

**After treatment has been completed and ALL nits have been removed from the head, the student should be accompanied by the parent or guardian to the school and not ride the bus. The nurse must inspect the student prior to readmission.**

In order to ensure that the nurse will be available to inspect the student, the parent should call the school nurse to make an appointment. If, upon inspection, the student is found to have nits or lice, the student will be denied admission to school until all the nits are removed.

After the student has been cleared to return to classes, the nurse will continue to check for nits because of the risk of re-infestation if the student's environment was not properly treated. The student will be checked as often as deemed necessary by the nurse.

The student will be expected to report to the school nurse the day after s/he was excluded for inspection. Exclusion for lice should not be used to miss school for an extended period of time. Therefore, the school may enforce disciplinary action as deemed necessary by the school's administrative staff.

If any question pertaining to your child's health arises during the year, please call the school nurse at **610-779-5810 ext. 39**. When the nurse is not in school, the school staff or nurse volunteers care for sick or injured students. It is very important for parents to keep emergency information and phone numbers current. A sick child cannot be sent home without notifying the parent or alternate emergency contact.

#### **L. HOME AND SCHOOL ORGANIZATION (HSO)**

Parents of students attending Saint Catharine of Siena School are expected to be active members in the Home and School Organization. Dues are paid on an annual basis.

The objectives of this organization are:

1. to promote the religious, educational, and cultural welfare of the children of Saint Catharine of Siena School;
2. to bring into closer relationship the home, the Church and the school by fostering and promoting cooperation and communication between parents and teachers in the training of the children;
3. to bring together a complete functioning of all civic and educational facilities that are or can be made available;
4. to raise funds for the school and supply academic and scholastic needs in classrooms;
5. to arrange assemblies for the students in consultation with the principal and faculty.

#### **M. INSURANCE**

Since July 1, 1990, the Diocese of Allentown has implemented a student accident program for any student attending kindergarten through grade eight. The cost of this program is paid by the school. Claim forms, as well as a description of the coverage, may be obtained at the School Office.

#### **N. LUNCH**

The Saint Catharine of Siena lunch program is directed by the Cafeteria Manager and two Cafeteria Staff. Each month the students are provided with a lunch calendar and have the option to buy lunch daily. When ordering lunch, the students must place the order prior to Morning Prayers and Announcements. Students should bring a packed lunch on the days they do not wish to buy lunch. Payment for lunch is set up as a debit system. Parents need to send a check or cash which is deposited to the student's account. When the amount in the student's account is low, a notice is sent to the parents for the next payment. Prompt payment of the account is important so that your child can continue to order lunch.

#### **Expectations of the Students in the Cafeteria**

1. To eat lunch using proper table manners
2. To remain in seats during lunch, except to dispose of trash
3. To be respectful at all times
4. To remain in the cafeteria during the allotted time.
5. To make sure their trash is collected and disposed of in a proper manner
6. To go to the recess yard in a quiet line.

#### **\* IMPORTANT**

- Students are not permitted to bring food or drink outside.
- Students may not enter the building once the lines have gone to the recess yard unless it is an emergency. The student must have the supervising teacher's permission. Then, the student reports to the office.

### **Expectations of the Students at Recess**

1. To include all students in games and activities
2. To play fairly and respectfully
3. To use appropriate language
4. To remain in the play area under the supervision of the assigned adults
5. To report to adults any inappropriate words or hurtful actions of a student or suspicious activity
6. To follow the teachers' directions at the end of recess

### **O. PARTY INVITATIONS / Birthday Treats / Class Parties**

Children may bring party invitations to school only when they are inviting every classmate (all boys or all girls) to the party. Students should inform their homeroom teachers that they have the invitations and ask the teacher for permission to distribute the invitations. Otherwise, invitations should be mailed from home. Class parties or treats must be coordinated with the classroom teacher with sensitivity to the children who have allergies. Balloons, flowers, and other deliveries for students should be sent to the home and not to school.

### **P. RELEASE OF A CHILD/STUDENT RECORDS – CUSTODY ISSUES**

A child will not be released to a parent/guardian who does not have physical custody without the written consent of the custodial parent/guardian. It is the obligation of the custodial parent to alert the school to any restrictions regarding the child. Unless a court or custody agreement specifies otherwise, each parent/guardian with legal custody is entitled access to all school records of the child. Without a subpoena or court order, school records of the child(ren) may be disclosed only upon written consent of the parent/ guardian with legal custody.

### **Q. RELIGIOUS ACTIVITIES & SACRAMENTAL PROGRAM**

The Diocese of Allentown prescribes the Religion curriculum for all Catholic schools which is incorporated in the Loyola "Christ Our Life" textbook series.

The religion curriculum for students in grade two includes preparation for the sacraments of Reconciliation and Holy Eucharist. At the end of grade seven, students begin their preparation for the Sacrament of Confirmation. In grade eight, students complete their preparation for and receive the sacrament of Confirmation. Parent meetings are scheduled to guide and assist parents, who are the primary educators of their children. Parents of children in these grades are required to take an active part in preparing their children for the reception of these sacraments. This includes being sure that their family attends and participates in Sunday Liturgy. The Directors of Religious Education oversee the PREP Program and plan the schedule for the Sacramental Parent Meetings.

The students have the opportunity of attending the 8:30 a.m. Mass each Friday and at 9:30 a.m. on holydays that occur on school days. Each grade is assigned to participate as the lectors and gift bearers. The Siena Singers lead the music and the Siena Ringers (bell choir) enhance the music each month. The parish priests arrange for the Sacrament of Reconciliation during Advent and Lent. Throughout Advent, the students learn about the Advent symbols. During Lent the students attend the Stations of the Cross after the 8:30 Mass.

Prayer is an essential part of each school day. The students are taught the formal prayers of the Catholic Church and have the opportunity for shared prayer, spontaneous petitions, and praying the rosary in class. The school community prays together at the beginning and end of the school day, and at mid-morning for the Angelus or the Regina Coeli (Queen of Heaven) during the Easter season. The students pray before lunch within their individual classrooms and after lunch in the cafeteria.

### **R. SAFETY REGULATIONS**

All local policies established must comply with the policies established by the Diocesan Board of Education.

## **T. SPORTS PARTICIPATION**

Saint Catharine of Siena CYO is a parish entity under the direction of the pastor and must adhere to the regulations of the diocese. The CYO oversees the extracurricular sports program for the students in Saint Catharine of Siena School, Saint Catharine of Siena PREP, and home-schooled parish children.

Participating in sports activities is a privilege since those involved represent the school and the parish. In order to participate, students must:

1. have a permission slip signed by each of their teachers and the principal prior to the start of registration;
2. maintain a passing average in *all* academic subjects (including special subjects offered by the school);
3. have satisfactory **effort and conduct**.

If a student receives a failure warning during any quarter, sports participation may continue; however, the coaches will be notified. These rules will be strictly enforced.

## **U. SMOKING – DRUGS - ALCOHOL**

The school premises are a smoke-free and drug-free environment. No smoking or possession or use of drugs is allowed in the school building, the gym, or on the grounds around the buildings. Appropriate authorities will be contacted in the case of any person violating the drug-free school zone.

## **V. STUDENT COUNCIL**

The purpose of the Student Council is to promote student leadership throughout the grades. Each class elects one homeroom representative to present the class needs or ideas at the monthly student council meeting. The eighth grade students hold the executive positions of President, Vice-president, Secretary, and Treasurer to which they are elected by the faculty and upper grade students.

Student Council members must maintain satisfactory grades in all academic subjects, effort, and conduct. An unsatisfactory grade will warrant the student's removal from Student Council until the grade is improved.

## **W. TELEPHONE-SCHOOL OFFICE – CELL PHONES**

The telephone in the school office is for business only. A student may use the school phone only in the case of an emergency with the permission of the Principal/Office Staff. Permission will not be given to a student to call home for forgotten supplies or to communicate social plans. Please do not request that a child phone home during or after school for any reason. If parents must change the mode of transportation, please call the office before 2:45 p.m. and a message will be sent to the child before the end of the day. Urgent messages for students will be relayed to them from the school office. Students will not be called to the phone during class time. Teachers may not take calls during class instructional time.

### **CELL PHONES**

Students in grades 5 – 8 may bring cell phones if needed for after school activities or for safety reasons traveling to and from school. If a student is younger than fifth grade, the parent must send a written letter to the principal explaining the reason the child needs to bring a cell phone to school. All cell phones and electronic devices must be turned off once the student arrives in the school building. The cell phone must be handed in to the homeroom teacher at the beginning of the school day and kept for safekeeping until dismissal. Cell phones are not permitted for use during school hours or during after school activities. It is the student's responsibility to collect the cell phone at the end of the day. If a student disregards this policy, the cell phone will be confiscated and a \$10.00 fee for the missions will be collected. **This policy is in effect for students staying for after-care and after school activities. Cell phones must be off and away during after-school activities. Students staying for after-school activities may only use their cell phone at the conclusion of the activity with the permission of the adult supervising the activity.**

**ELECTRICAL/HAND HELD DEVICES** -(I-pods, I-pads, Nooks, Kindles, and any non-school technology devices) --Personal technology devices are not permitted to be used in school. Though older students (grades 7 & 8) sometimes have an I-pod for the bus, the item must not be out during the school day. ## **X. TRANSPORTATION**

### **I. Bus Riders**

School bus transportation is provided by the state for children living beyond one and one-half miles from the school. Children living within this radius must either walk or be transported by car.

The following regulations must be observed by those riding the public school bus:

- a. Students must ride the bus that is assigned by the school district. Please do not request permission to ride another bus or to invite a non-rider onto the bus. Students are not permitted to ride a school district bus unless the child is registered in that district.
- b. Bus riders are not permitted to walk home or to carpool unless written permission is sent to the child's homeroom teacher.
- c. Students riding the bus must be seated at all times. They shall remain seated until the bus has come to a full stop at their destination.
- d. Students must, at all times, keep entirely within the bus. Unruly conduct will result in losing the privilege of riding the bus. Parents will then have to provide transportation.
- e. Students must enter the building directly upon disembarking the buses.

- f. Kindergarten, first, and second grade students must have an index card stating the means of transportation to and from school for at least the first two weeks of school. If the child travels on the bus, the name and number of the bus is needed, for example, Exeter 23 or Oley. This is necessary for the first day of school.
- g. When disembarking the bus in the morning, students should enter the school through the back door near the office and come directly to the cafeteria.
- h. At dismissal time, buses will be called over the PA. Students must walk quietly in line when their bus is called and come directly to the back door of school by the office. A faculty member will dismiss the students to their correct bus.

### **Y. TUITION**

Tuition rates are established by the School Finance Committee in conjunction with the School Advisory Board with the approval of the Pastor and the Parish Finance Committee. Saint Catharine of

Siena Parish subsidizes the difference of the tuition and the actual cost of education for each student. Therefore, all families are asked to support the parish through their weekly offertory contributions, their attendance at Mass each Sunday, and their participation in parish activities. **Current tuition rates are available in the school office and on the website.**

Each school family is required to participate in the SCRIP program or to pay the buy-out option. Information packets about the SCRIP program are distributed to each family.

The Saint Catharine of Siena tuition program is outsourced to an independently run Tuition Collection Agency – FACTS Tuition Management Systems.

Re-Enrollment for the following school year may be denied if the previous year's tuition is not paid in full. Final report cards may be held if tuition is in arrears and a payment plan has not been submitted to the pastor. If a family has financial difficulties during the year, please contact the principal or pastor to discuss a payment plan.

Parents have the responsibility to provide an atmosphere conducive to study and to exhibit a real interest in the accomplishment of their child's assignments. Ample time is allotted for the completion of out-of-class research assignments or projects.

Students learn and work at different rates. Therefore, the following time per night is a guide for homework, which includes both written and study assignments:

Grades 7 and 8	90 minutes

The objective is not time, but the extension of learning beyond class time. In the event of absence or suspension, the student is required to make up work designated by the teacher. If a student has forgotten a book or other materials that are needed for homework, the student may return to the classroom via the school office until 4:00 p.m. After 4:00 p.m. the classrooms are locked and students are not permitted to return to the classroom to retrieve forgotten books or other items.

**Second Honors:** Student must have at least an 85 in all major subjects as listed above and a minimum of an S in all effort and conduct and all minor subjects listed above.

## **5. Parent-Teacher Conferences**

Conferences are scheduled during the first trimester report period for Grades Pre-K to 8. Parents may request a conference throughout the year by sending a note or email to the teacher, or calling the school office and making the request.

## **6. Preparation for Class**

Each student is responsible to have all required materials for class and to complete all class assignments and homework on time. Failure to do so indicates a lack of serious preparation for class. The teacher will assess the daily performance of students which includes class participation and neatness and completeness of work in copybooks and on worksheets.

## **7. Promotion or Retention**

Student progress is monitored throughout the school year. During the first trimester, the parent/guardian is informed of the student's academic, social and emotional progress. By mid-year, the teacher will contact the parent/guardian of a student who continues to experience difficulty, to discuss the possibility of retention and support services. By mid-May, the teacher(s) will schedule a follow-up meeting with the parent(s)/guardian(s), school counselor, and principal. If retention is indicated, the parent(s)/guardian(s) will receive an official notification, which must be signed and returned to the school administration. Failure of the parent to sign the form does not prevent the student from being retained. Promotion or retention is at the discretion of the administration in consultation with the teacher.

## **8. Report Cards**

Report cards are distributed three times a year. They should be examined carefully by both parents to review the academic progress and development of their child. The marking system is explained on the cards. Reports should be signed by at least one parent and returned to school promptly. The parents or teacher may check a request for conference on the back of the report card. Progress Reports are mailed home halfway through each marking period to inform parents of low grades, impending academic failures or behavioral concerns.

## **9. Testing**

Standardized testing (Iowa Assessment and CogAT) is given according to the directives from the Office of Catholic Education - Diocese of Allentown. Testing usually takes place in March as posted on the yearly calendar. Parents are urged to not make appointments for students or to plan family trips during this time so that all can be present for the testing.

## **10. Graduation**

Eighth grade students who have completed the prescribed course of study and maintained a suitable discipline record are eligible for graduation. All financial obligations must be met or payment arrangements made with the Pastor/Principal in order for a student to participate in Graduation. The final report card may be held for tuition in arrears. Procedures for graduation are determined by the Administration and the eighth grade teachers.

## **11. Closing Exercises**

Participation in closing exercises is a privilege, not a right. Saint Catharine of Siena School has the right to deny any student from participating in closing exercises if, in the view of the School, the student's conduct or academic or disciplinary records indicate that the privilege should not be extended. All financial obligations must be met for students to receive the final report card.

## CODE OF CONDUCT

### 1. Discipline

Saint Catharine of Siena School believes that self-discipline is fundamental to life. Discipline is a necessary reflection of the Philosophy of a Catholic School, which attempts to develop a fully committed Christian - a Christian committed to the observance of just rules and regulations based on the Ten Commandments, which will assist the individual in responding to his/her responsibilities and obligations to himself/herself and others. Students are expected to follow the Code of Conduct during the school day, riding on the school bus, at After-Care and all after-school activities, on field trips, and at all school sponsored events or activities.

The disciplinary procedure for PRE-K, Kindergarten and Grade 1 is usually handled individually by the classroom teacher. Depending on the severity of the action further discipline by the classroom teacher in conjunction with principal may be required.

The disciplinary procedure for Grades 2 to 8 is handled by the individual teachers. Students may receive individual teacher detention and/or school detention, which is held weekly. If a child receives a detention, the parent(s)/guardian(s) will be informed prior to the day of the assigned detention. If the student fails to attend, a second detention may result.

### 2. Disciplinary Demerits and Detention

If students in Grades 2 through 8 are not acting in accord with the rules and regulations of Saint Catharine of Siena School, they will be issued a demerit for that action. Demerit slips must be signed by a parent/guardian the evening it is issued and returned to the issuing teacher or the homeroom teacher the **next** day.

As a guideline for the classroom teacher in the issuance of a demerit, a list of conduct infractions (although not all-inclusive) that violate the Discipline Code follows. These discipline areas are deemed to be less serious in nature; however the students are held accountable for their actions. These infractions may warrant a demerit and continual violation will result in a detention.

In the following areas (Academic/Other) a total of 5 demerits will result in an after school detention:

- a. Not prepared for class - not having proper supplies or books for class.
- b. Unsigned test papers/mark sheets - tests and mark sheets must be returned within one school day or the day assigned by the teacher.
- c. Carelessly completing written and/or incomplete homework
- d. Not bringing in an absent note upon return to school after an illness and/or absence

In the following area (Behavioral) 5 demerits will result in an after school detention:

- e. Improper behavior - including, but not limited to disturbances in class/playground/lunchroom; i.e. throwing food or other items, unnecessary noises, etc.
- f. Improper behavior - note passing, slamming books, unnecessary talking to oneself or others, loud, boisterous sounds, any disruption deemed by the classroom teacher to interrupt the educational process
- g. Gum chewing/eating in class - Gum is not permitted on campus, including the school/gym/church/parking lot. Snacks may be eaten only at the designated time.

The following is a listing of actions that will result in **an immediate detention**. It is not an all-inclusive list of conduct that violates the Discipline Code.

- h. Cheating - the taking or giving of schoolwork that is not one's own
- i. Irreverence/Disrespect - any improper attitude displayed towards any teacher, staff member, volunteer parent, administrator or fellow student; irreverence in church
- j. Abusive language - any inappropriate language or racial or ethnic slurs used on school premises
- k. Forgery - handing in any paper (school assignment, tests, permission slips, etc.) signed by anyone other than a parent or guardian or handing in a paper written by someone else.

- l. Invading the privacy of another's desk - teacher or student.
- m. Plagiarism – copying someone else’s research or writing without giving proper credit
- n. Vandalism/Damaging any school, church or personal property
- o. Out of bounds - any student who is in the wrong place at the wrong time.
- p. Cutting class
- q. Bullying
- r. Physical Fighting
- s. Other - any other behavior that warrants attention not specified on the above list.

When a student receives a detention form, the parent/guardian must sign it on the night issued. It must be returned the following day to the student’s homeroom teacher. A parent signature indicates that the parent/guardian has seen the detention slip. The teacher will call or email the parent to inform them of the reason for the detention and to plan together how the student might improve the situation.

If a student receives a second detention, a parent-teacher conference is required. The student should be present for part of the conference and an Action Plan for Improvement must be signed by the teacher, parent, and student. A copy of the Action Plan is sent to the Principal.

### **3. Suspension**

In-School or Out-of-School Suspension will be issued based on the seriousness of the action of the student and the effect on the school community. It is the decision of the Principal in conjunction with the teachers of the student.

Three disciplinary detentions will warrant a school suspension depending on the severity of the infraction. Suspension may lead to dismissal. The Principal will inform the parents/guardians of the seriousness of suspension and seek their immediate cooperation in a corrective program designed to resolve the student's problem, if possible. If a student is suspended but not dismissed, the student may be required to have psychological or psychiatric clearance before returning to school. Serious infractions may result in an immediate suspension or dismissal. This applies when students are on campus, on a school bus, or at any school-sponsored function.

The following unacceptable conduct that will result in an immediate suspension from school includes, but is not limited, to the following:

- a. Constant insubordination; blatant disrespect for authority - to any adult in the building.
- b. Violent behavior - any fighting or behavior that causes physical injury.
- c. Bomb scares or triggering other false alarms
- d. Possession and/or use of drugs, narcotics, tobacco or alcoholic beverages on campus or on bus. Lawful authorities will be contacted where required.
- e. Smoking including e-cigarettes/vaping
- f. Stealing
- g. Repeated intimidation, bullying, harassment or threats of any kind
- h. Possession of any weapon- possession of any item which may present a danger to others in school or out. No guns, knives, laser pens, any tool, instrument, or weapon capable of and implemented in inflicting harm or serious bodily damage are permitted on school grounds at any time.
- i. Profane/obscene language or gestures or engaging in immoral conduct.

These categories do not cover every possible situation. The administration will determine which behavior is inappropriate.

### **4. Harassment**

The School follows the Diocese of Allentown Policy prohibiting harassment, including sexual harassment. Sexual Harassment refers to any unwelcome sexual attention, sexual advances, and requests for sexual favors or other verbal, visual or physical conduct of a sexual nature. Sexual

Harassment is unacceptable conduct and will not be tolerated. Any student or parent/guardian who is determined to have violated this policy will be subject to appropriate disciplinary action up to and including dismissal of the student. A complete copy of the policy is maintained in the school office and can be found on the diocesan website.

### **5. Bullying and Cyberbullying Policy**

Saint Catharine of Siena School strives to provide a safe, positive learning environment for each student. Our school motto emphasizes the importance of respect toward all teachers and students in imitation of Jesus Christ.

We recognize bullying as any repeated aggressive behavior that intentionally hurts another person physically or mentally. Bullying includes any word, look, or action that inflicts or threatens to inflict physical or emotional injury or discomfort upon another person's body, feelings, or possessions. Cyber-bullying can include any electronic threats, posting of inappropriate or demeaning pictures or words, or spreading false information via email or other electronic means, or use of the internet, social media, blogs, etc in a way that defames or negatively affects another person. Any instance of Bullying or Cyberbullying will be dealt with immediately.

To maintain a Christ-centered school which is safe and free from bullying and violence we pledge to:

- Recognize that all people are created in Christ's image.
- Follow the school pledge and show respect in all words and actions.
- Empower students to recognize and report bullying and cyber-bullying behaviors.
- Intervene and strictly enforce rules and consequences in a consistent manner.
- Educate the school community including parents on establishing a positive school climate.
- Tolerate no bullying or cyber-bullying in our school.

#### **School Wide Goals:**

- Include all students in school activities such as recess, lunch and small groups.
- Respect the personal space and belongings of others.
- Speak, write, and/or send only respectful words to and about others.
- Show respect and courtesy toward each other.

Teachers have the authority and responsibility to maintain discipline in the classroom. Students are under the supervision of many teachers during a given school day. Each teacher will have his/her own requirements and students must learn to abide by them.

Each student is expected to show respect, good manners, courtesy, and consideration for others and to follow all school rules. Through the formation of Christian character and the practice of the virtues, students strive to imitate Jesus Christ and demonstrate Christian behavior at all times. Any behavior that interferes with the student's progress or another student's progress is not acceptable.

While traveling to and from school, while on school sponsored trips or sport activities, students are expected to be on their best behavior and show consideration for others at all times.

All adults working with students will be aware of the expectations for behavior. If they notice any inappropriate behavior they will advise the student of the expectations. If a student chooses to ignore the advice given by an adult, the teacher will be notified. Consequences will be managed by the teachers and/or principal.

Teachers are expected to report bullying and cyber-bullying behaviors to the principal once they are aware of the situation. If a child informs his/her parents of an occurrence of bullying or cyber-bullying, the parents are expected to alert classroom teachers who, in turn will report it to the principal.

## **Consequences**

If a student chooses not to act responsibly and respectfully, according to the expectations above, the following consequences will occur:

- Verbal correction and re-direction to act responsibly
- Time out from the activity or play (especially at recess)
- Referral to the school counselor to work on improved behavior and choices
- A letter or phone call to the parents explaining the behavior and the consequences
- Parent & student conference with teacher and/or principal
- A loss of privileges at school - Some privileges include but are not limited to: special activities, assemblies, treats, field trips, sports, etc.
- Detention
- Suspension
- Other consequences will be at the discretion of the Administration.

## **6. Procedures for Student Suspensions**

Parents/Guardians of the student will be informed by a phone call or in writing of the suspension as soon as possible. Suspensions will be implemented at the discretion of the Principal. Following suspension, parents or guardians will be interviewed by the appropriate school official. Students removed from the school community will not be readmitted before a parent interview has been conducted and all other conditions for re-admittance have been satisfied.

Parents and student are to sign a formal agreement in which they signify their understanding and agree to assume responsibility for future behavior. Where possible, a student will be referred to a counselor or a teacher for counseling. Signed agreement of parents and a written report of the suspension will be filed in the student's record.

According to Pennsylvania State Law, Act 26, if/when a student transfers to another school, the school will request a copy of a student's disciplinary record. Specifically, the law pertains to suspensions or expulsions for drugs/alcohol and weapon offenses, and any other act of violence while on school property.

## **7. Dismissal** - *After two (2) formal suspensions, a student may be dismissed.*

Students who are dismissed may apply for re-admission after one full year. School Administrators will determine whether re-admittance is appropriate. In certain instances the infraction may warrant immediate dismissal. School Administrators reserve the right to dismiss any student at any time where the School Administrators consider the conduct of the student or parent/guardian to be inconsistent with School policy, the good of the School community or Catholic teachings. Parents/Guardians of the student will be informed in writing of the dismissal as soon as practicable.

## **8. Parent/ Guardian Involvement**

Parents and guardians must weigh seriously their obligation to educate their children in an atmosphere of love and respect for God and others. The home is the first school of the social virtues essential to any well-ordered society.

Active cooperation of parents and guardians is expected and required as follows:

- Sending their child to school physically fit, clean, and properly dressed and fed.
- Assisting their child's spiritual, academic, and moral development through careful attention to his/her report card, supervision of home study and behavior, and cooperation with the School in matters of activities, recreation, academics and discipline.
- Overseeing their child's activities outside of school, especially with their use of technology, that could impact the teaching/learning process in school.
- Sending a written explanation each time their child is absent from school.
- Setting a good example by personally refraining from any activity that would violate School policy, Catholic teachings or the law.
- Participating at Mass each Sunday and contributing to the Parish
- Taking an active role in the Home and School Organization.

## **Anti-Hazing Policy**

The Diocese of Allentown prohibits any form of hazing of or by employees, volunteers or students.

Hazing is defined as: “Any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a person, or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in, any organization. The term shall include, but not be limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, or any other forced physical activity which could adversely affect the physical health and safety of the individual, and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or any willful destruction or removal of public or private property. For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be “forced” activity, the willingness of an individual to participate in such activity notwithstanding”. (PA Act 2016-31)

Any student who experiences some form of hazing or staff member who becomes aware of hazing should report it to the school administration. Any staff member who permits or encourages hazing will face disciplinary action, including possible dismissal. Any student who engages in hazing is subject to discipline, up to and including expulsion, depending on the seriousness of the offensive conduct. Every elementary and secondary school shall promulgate this policy to parents and provide a copy to all athletic coaches and moderators of activities in accordance with Pennsylvania state law.
